

*A pair of heavenly messengers
 share their warmest blessings!*

For a limited time only, <FirstName>, you are invited to welcome this joyful duo into the <LastName> home for a FREE PREVIEW!

Dear <FirstName>,

There's an old saying that goes, "cardinals appear when angels are near."

That's because these heavenly visitors do not typically reveal themselves to mere mortals. So instead, they send cheerful cardinals to brighten our days with their happy songs and brilliant red tones and to remind us that our guardian angels are nearby, filling our lives with the merriest of moments.

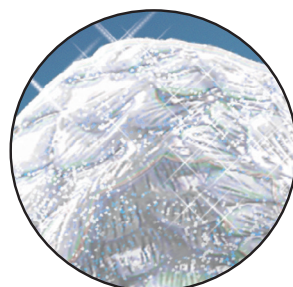

Now bring all the joy of watching a colorful cardinal dart about in your yard — and the comforting reassurance that angels are keeping watch over us — into your home with an ALL NEW figurine from The Hamilton Collection. Introducing ...

"Wintery Interlude"

Beautifully painted by hand, these winged messengers are handcrafted with incredible detail, which makes "Wintery Interlude" more than just a spiritual inspiration — it's also a stunning work of art you can proudly display in your home.

Standing an impressive 7.5" tall, this figurine will captivate you with all the delicate extras that make it unlike anything you've ever seen before.

- Fine iridescent glitter that sparkles like stars in the heaven on the angel's majestic wings, "fur"-trimmed robe, and sculptured greenery adorning her ensemble.
- Hand-etching on her bodice looks like real tatted lace, while raised-to-the-touch bas-relief detail adds a decorative accent to the sleeves.
- Sculptured fur-like white trim makes the brilliant red hues on the angel's gown stand out as brightly as a winter cardinal on a snowy landscape.
- A beautiful hand-applied floral motif enhances the angel's underskirt and highlights its shiny and smooth glossy finish.
